Online 2018 Docking Package & Deposits

Great news! Your summer docking package is available online <http://www.cryslerparkmarina.com/dockage-application-and-fees/>. This new online package will make the process more efficient, eliminating the need to print, scan or fax. Just complete the attached file and submit it online. For your convenience it includes the rules and regulations, contract and application. Please ensure that the application is completed in full to assist us in processing your application and contacting you if necessary.

Please note that 2018 seasonal dockage deposits were due on October 31 2017 in order to reserve your slip for the 2018 season. All slips that have not been reserved are now open for booking.
